

Benefits Policy

ACME Corporation | Employee Benefits Policy - HR-POL-009 - Effective 01 April 2025

1. Overview

ACME Corporation offers a benefits programme covering health, financial security, learning and wellbeing.

All benefits described here are available to confirmed full-time employees from their date of joining unless stated otherwise.

2. Health Insurance

Every employee is covered by a group medical insurance policy with a sum insured of INR 5,00,000 per family per year.

Coverage is on a floater basis and includes the employee, spouse and up to two dependent children from the date of joining.

Parents may be added to the policy at an additional annual premium of INR 12,000, deducted from salary in equal monthly instalments.

The policy includes pre-existing conditions from day one and covers hospitalisation of 24 hours or more, along with listed day-care procedures.

Claims are submitted through the insurer's portal within 30 days of discharge. The HR service desk assists with escalations.

3. Life and Accident Cover

Group term life insurance is provided at three times the annual fixed salary, at no cost to the employee.

Group personal accident cover is provided at two times the annual fixed salary and applies 24 hours a day, worldwide.

4. Retirement Benefits

Provident fund is contributed at 12 percent of basic salary by both the employee and ACME Corporation, in line with statutory requirements.

Gratuity is payable in accordance with the Payment of Gratuity Act to employees who complete five years of continuous service.

The National Pension System is available as an optional salary structuring component and may be elected during the annual flexible benefits window.

5. Learning and Development

Each employee receives an annual learning allowance of INR 25,000 for courses, certifications, books and conference tickets.

Certification examination fees for role-relevant certifications are reimbursed in full on first attempt, subject to manager approval before registration.

Employees may use up to 5 working days per year as dedicated learning days.

6. Wellbeing Benefits

An annual wellness allowance of INR 12,000 covers gym membership, sports activities, and mental wellbeing subscriptions.

The Employee Assistance Programme offers 8 free confidential counselling sessions per employee per year, available 24 hours a day.

An annual preventive health check-up is provided free of cost to every employee above the age of 30.

7. Allowances and Reimbursements

A meal allowance of INR 2,200 per month is credited to the employee's meal card.

An internet allowance of INR 1,000 per month is paid to employees on the hybrid work model.

A one-time home office setup reimbursement of INR 15,000 is available to employees who work from home regularly.

Domestic travel on company business is reimbursed at actuals against bills submitted within 30 days of travel, in line with the Travel and Expense guidelines.
